Make sure everyone is included and you capture every moment in perfect clarity with the Sharper Image Selfie Stick. Just place your phone in the spring-loaded holder, connect using your audio jack, and extend the wand to the distance you want, up to 39 inches. The telescopic wand and rubber handle make the stick extra durable and super portable, while the built-in shutter button means taking pictures is a snap.

MOUNT,  
POINT,  
AND  
SHOOT!
