

Free Xmas Ringtone App for Kids Spreads Holiday Cheer to iPhones Everywhere

An early holiday gift from Flycell for little drummer boys and girls

NEW YORK – December XX, 2010 – Flycell, Inc. (www.Flycell.com), the popular mobile and online entertainment destination, announced today its *Kids Xmas Tones* iPhone app, which uses Flycell’s original fun and kid-friendly content. Available for only \$0.99 at the iTunes AppStore, it offers a fun collection of new holiday songs and sound effects, sure to get the kids excited about Santa’s arrival.

“This simple and fun app for kids is the latest iPhone app from Flycell following our recently launched *Funny Holiday Tones*,” says Lindsey Weinger, VICE PRESIDENT OF CUSTOMER EXPERIENCE at Flycell. “We wanted to give families an experience they could share together this holiday season. The *Kids Xmas Tones* app is easy for the kids to use and sure to keep them entertained during those holiday drives.”

The *Flycell Kids Xmas Tones* app gives your kids cute and age-appropriate exclusive ringtones like “Jingle Bells,” “Christmas Cheer,” and “Santa Flyby.” Each high quality sound clip is yours to keep forever and can be set as a unique ringtone for all of your holiday calls.

If you enjoy the Flycell *Kids Xmas Tones*, follow the link to other Flycell holiday app offerings including the *Flycell Funny Holiday Tones* app that includes 32 exclusive holiday ringtones, available for \$1.99.

“We chose the most cheerful and cute Christmas tones for the *Kids Xmas Tones* app,” says Kori Burkholder, HEAD OF MUSIC at Flycell. “We’re betting you’ll hear lots of giggling coming from the kids when they hit the app’s ornament buttons.”

Get your little ones in the holiday spirit today with the *Flycell Kids Xmas Tones* App available at: [*URL HERE*](#).

Every day, thousands of new subscribers come to Flycell to personalize their phones with the best ringtones, games, wallpapers, and other digital content to reflect their unique digital lifestyles. With its expansion onto the iPhone platform, a whole new group of customers now have access to Flycell’s exclusive content. With new apps planned to be released every quarter, iPhone users will have the opportunity to take full advantage of Flycell’s robust ringtone and mobile content catalog.
